Application No.09/905,398

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on April 8, 2005. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matters requiring attention prior to docketing are identified below:

A review of the file indicates that neither the Appeal Brief filed October 18, 2004, does not appear to be in compliance with the rules issued September 13, 2004, under 37 CFR §41.37(c).

37 CFR § 41.37(c) states:

(c)(1) The brief shall contain the following items under appropriate headings and in the order indicated in paragraphs (c)(1)(I) through (c)(1)(x) of this section, except that a brief filed by an appellant who is not represented by a registered practitioner need only substantially comply with paragraphs (c)(1)(i) through (c)(1)(iv) and (c)(1)(vii) through (c)(1)(x) of this section...

(ix) *Evidence appendix.* An appendix containing copies of any evidence submitted pursuant to §§ 1.130, 1.131, 1.132 of this title or of any other evidence entered by the examiner and relied upon by appellant in the appeal, along with a statement setting forth where in the record that evidence was entered in the record by the examiner. Reference to unentered evidence is not permitted in the brief. See § 41.33 for treatment of evidence submitted after appeal. This appendix may also include copies of the evidence relied upon by the examiner as to grounds of rejection to be reviewed on appeal.

(x) *Related proceedings appendix.* An appendix containing copies of decisions rendered by a court or the Board in any proceeding identified pursuant to paragraph (c)(1)(ii) of this section.

(2) A brief shall not include any new or non-admitted amendment, or any new or non-admitted affidavit or other evidence. See § 1.116 of this title for amendments, affidavits or other evidence filed after final action but before or with any appeal and § 41.33 for amendments, affidavits or other evidence filed after the date of the appeal.

(d) If a brief is filed which does not comply with all the requirements of paragraph (c) of this section, appellant will be notified of the reasons for non-compliance and given a time period within which to file an amended brief. If appellant does not file an amended brief within the set time period, or files an amended brief which does not overcome all the reasons for non-compliance stated in the notification, the appeal will stand dismissed.

Application No. 09/905,398

A review of the application reveals that the following sections are missing from the Appeal Brief filed October 18, 2004:

(3) "Evidence Appendix," and

(4) "Related proceedings appendix," as set forth in 37 CFR § 41.37(c)(1)(x).

A further review of the record reveals that the Examiner's Answer mailed January 28, 2005, is not in compliance with with the new rules established September 13, 2004, under 37 CFR § 41.39, because the Examiner's Answer further does not address the appendices identified as "(3) Evidence Appendix," and "(4) Related proceedings appendix".

Accordingly, it is

ORDERED that the application is returned to the examiner to:

(1) hold the Appeal Brief filed on October 18, 2004, defective;

(2) to notify appellants to file a substitute Appeal Brief in compliance with 37 CFR § 41.37; or

(3) for the examiner to consider either a substitute Appeal Brief and/or for the examiner to issue a Supplemental

Application No. 09/905,398

Examiner's Answer addressing the appendices under 37 CFR §
41.37(c)(iiix) and (x); and

(5) for such further action as may be appropriate.
